Could move to a cheaper licence 3

3 to review

People whose use of Microsoft 365 fits a cheaper licence. Accounts that are disabled or haven't signed in for 90 days are in Licence waste instead, so they aren't counted twice. Someone with a device Intune manages or an admin role keeps a plan with Intune and Entra ID P1, and a mailbox that's large, archived or on hold keeps a plan that holds it.
